

Notice of Good Faith Estimate (GFE)

If you do not have health insurance for your visit, you have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost.

Under the law, healthcare providers must give patients who do not have health insurance an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of your visit and treatment with us. This includes related costs like medical tests and/or procedures.
- You should receive a Good Faith Estimate in writing at least one business day before your appointment. You can also ask your healthcare provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit www.cms.gov/nosurprises or call 847-562-1410.
